

December 18, 2015

Dear Executive Directors:

I am pleased to advise you that the Legal Services Corporation (LSC) has reached the funding decisions for calendar year 2016 grant awards.

All grant awards are authorized for a one-year period – from January 1, 2016 through December 31, 2016. Grant awards are contingent on the availability of federal funding and are subject to compliance with all the terms and conditions described and/or referenced in the Request for Proposals (RFP) and in this notice.

The funding decisions are contained in the [funding decision chart](#) below. The chart is organized by state and by service area. It identifies: 1) whether the recipient filed a grant award application or a grant renewal application for calendar year 2016 funding; 2) the annualized grant amount awarded for each recipient for calendar year 2016; 3) the funding term decision, by service area, for each recipient; and 4) the year of the next grant cycle for each service area.

The funding term is the amount of time a service area is eligible for funding. The length of the funding term is based on programmatic quality as determined by LSC's review of the program's grant application, compliance with the LSC Act and regulations, the program's fiscal policies and practices, and other pertinent factors.

If the funding term exceeds one year, the recipient must submit renewal applications to receive funding for the additional year or years. LSC will provide you with renewal information at the appropriate time. The granting of a renewal and the length of the renewal period are subject to available federal funding, compliance with the terms and conditions listed above, and LSC's review and approval of the renewal application. Upon renewal, new terms and conditions may apply.

Please access your “Acceptance of Grant Award” and any special grant conditions from <http://newrin.lsc.gov/glt.htm>. Instructions for accessing and returning these grant documents are at the site.

Please retain a copy of this grant award notice, the funding decision chart, and the executed grant documents in your grant file. LSC will not issue a separate grant award letter. Please send inquiries regarding this notice and the funding decision chart to the LSC Grants Service Desk at LSCGrants@lsc.gov. Please send inquiries related to technical issues to techsupport@lsc.gov.

Thank you for your efforts to make equal justice a reality.

Sincerely yours,

A handwritten signature in blue ink that reads "Jim Sandman".

James J. Sandman
President

¹ LSC reopened the grant application process for the MI-13 service area in Michigan on September 22, 2015, and received two qualified grant proposals. The grant proposals are currently under review. LSC anticipates reaching the funding decision for the MI-13 service area on or around the first week of February 2016, and will publish the funding decision immediately thereafter.
